

Redhouse Arts Center located in Syracuse, NY is a professional, not-for-profit theater serving the community by providing leading and inclusive experiences through its theater and educational programs.

POSITION: Information Technology Internship (unpaid / volunteer)

Redhouse Arts Center has an immediate opening for an IT Intern; this is a part-time position. The IT Intern will work closely with Redhouse leadership on various IT tasks and projects. Responsibilities include computer and printer troubleshooting, maintenance, repair and installation, hardware and software configurations, and other similar duties. Must possess a general knowledge of computer technology and computer systems including Mac/Apple products. Must be detail oriented and able to work independently with minimal supervision.

For immediate consideration, please submit your resume to info@theredhouse.org. No phone calls please.
